1. We note that the reattribution transaction on April 22, 2020 will be reflected in the Company's financial statements in the second quarter on a prospective basis. Considering that this will result in a change in the income, expenses (i.e., interest), assets and liabilities attributable to Sirius XM Holdings and Formula One and the related discussions in the MD&A, tell us your consideration of the guidance in ASC 280-10-50-34.
