Form section 1: A light blue header bar is followed by a large light blue rectangular area on the left. To the right of this area are three horizontal white input fields with black borders, stacked vertically.

Form section 2: A dark grey header bar is followed by a large light blue rectangular area on the left. To the right are four horizontal white input fields with black borders, stacked vertically. Below this is a light blue header bar, a small square checkbox, a light blue rectangular area, and a single horizontal white input field with a black border. Finally, there is another large light blue rectangular area on the left, followed by three horizontal white input fields with black borders, stacked vertically.

Form section 3: A dark grey header bar is followed by a light blue rectangular area on the left. Below this is another dark grey header bar, followed by a large light blue rectangular area on the left. To the right of this area are two horizontal white input fields with black borders, stacked vertically.

Form section 4: A light blue rectangular area on the left is followed by a single horizontal white input field with a black border.
